

ST ALBANS WRITERS' FESTIVAL

THANK YOU TO CREST

Citizens Radio Emergency Service Teams

The St Albans Writers' Festival Committee would like to thank you for helping us to make the Festival successful and safe.

We would particularly like to thank Julie Garrash and Des Cottle for coming up to St Albans to be with us for the entire festival. Your expertise was invaluable.

We really could not have done without you. Thankfully we only had one minor medical emergency but having the loan of your radios meant that we could get the doctor from the other side of the river up to the church within minutes. The radios also meant that we could attend to technical issues, across a very distributed site, speedily, without undue interruption to the presentations.

You are an amazing organisation, with amazing people.

Many, many thanks.

Sincerely

Kaye Remington
